### THE BLUE TRAIN LOUNGE

CAPE TOWN

Following the upgrade of the Cape Town Station and in an effort to improve and allow for a smooth running of the drop-off & pick-up at The Blue Train's Pre-departure Lounge, the following has been proposed:

#### **Drop-off:**

During drop-off, all transfers will be allowed into the bus designated area to drop-off the guests. All vehicles are immediately clear the area after drop-off.

#### **Pick-up:**

During pick-up, all transfers need to park at a designated holding area in the station, in front of the Train Lodge - which is the designated parking area for The Blue Train Lounge (please see attached map). When the train arrives at the station, The Blue Train's consultants will telephone the Lodge officials to advise the drivers of the train's arrival and that access has been granted for them to move into the bus designated area to pick up their guests. A 30-minute window period will be allowed for this process.

#### **Kindly take note of the following:**

The approach into the Cape Town Blue Train's Pre-departure Lounge from Old Marine Drive has been closed with immediate effect for access control. Access to the Lounge can only be made via Civic Avenue (off Hertzog Boulevard) as follows:

- 1) Approach from the Cape Town International airport - Get onto the N2 Highway which becomes Nelson Mandela Boulevard. Take the exit onto Hertzog Boulevard and turn left into Civic Avenue and right again at the T-junction which is Old Marine Drive. At the boom gate mention to the guards that it is a Blue Train drop-off / pick-up.
- 2) Approach for the City Centre or V & A Waterfront - Take the Heerengracht Street and turn into Hertzog Boulevard. Follow Hertzog Boulevard underneath the Civic Centre and turn right at the traffic lights (just after the Civic Centre) into Civic Avenue. Turn right at the T-junction which is Old Marine Drive. At the boom gate mention to the guards that it is a Blue Train drop-off / pick-up
