- US Dollars printed before year 2013 or that look worn will not be accepted. Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate.

Dietaries: We cater for food allergies provided a detailed request has been made at that time of your reservation. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

Dress:

- Days on board are smart casual: Neat, conventional yet relatively informal in style combining casual and formal clothing pieces.
- Evening attire is more formal: For gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. On long journeys we enjoy themed evenings where guests can dress up accordingly or opt for smart casual:
 - Golf Safari, African Collage, Dar es Salaam and Lobito Journeys: 1 x “AFRICA” evening and 1 x “1920s” evening. See itineraries.
 - Namibia Safari: 1 x “AFRICA” evening. See itineraries.
- Off-train excursions: We recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available.
- Game drives are on open vehicles so please dress accordingly: mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a guide.

Dressing Gowns: We provide a comfortable one-size-fits-all gown plus slippers for each guest for use on board the train. If you wish to take one home, they are available to purchase from the Gift Shop.

Electricity: 220V AC 50Hz 3-point round-pronged wall plugs and 110V/220V 2-pin plugs for shavers and chargers. USB ports are in each suite. International adaptors available. A generator supplies power. Please be aware that certain breaks in power are necessary when servicing is required.

Gift Shop/Administration: There is a small gift shop on the train and at Rovos Rail Station in Pretoria. Due to the varying exchange rates, credit cards are preferred. The Administration Deputy on duty has a basic First Aid Kit and personal essentials (toothbrushes, razors, earplugs etc.). He/she will also fulfil any administrative requirements and check your onward arrangements.

Gratuities: Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-300 (± US\$10-20) per person per night is suggested, depending on the length of your journey. At the game lodges, it is customary to tip guides and lodge staff an estimated ZAR150 (± US\$10) per guest per day.

Languages: The staff on board mainly speak English and local languages. For most of the long journeys and dependent on the language, translated itineraries and on-board information will be provided.

Laundry: There is a LIMITED laundry service (10 items/day) on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are unable to handle a week’s worth of laundry. There are no dry-cleaning facilities en route or on board. Please note that while this a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

Locomotion: Use of steam has become increasingly difficult over the years as more and more water and coaling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station in Pretoria only.

Luggage: It is possible to store luggage in your suite under the bed or above the door on a luggage rack, which provides ample space for storage. There are no luggage restrictions on board although we do not recommend more than two large suitcases. On selected long journeys, guests are provided with a Rovos Rail tog bag that can be used for overnight trips or hand luggage on aircraft. A soft bag is preferable on plane transfers with a luggage weight restriction of 15kg.

Magazines, Maps & Games: There are board games, cards, a card table (dependent), books and magazines available for your use in the lounge and observation cars while on board. In your suite is a map, itinerary and the Journeys magazine featuring articles of interest related to your route. If the map supplied is not comprehensive enough you may purchase a more detailed map from the Gift Shop.

Medical Emergencies: Each train is equipped with a standard medical kit, oxygen, automated external defibrillator and a wheelchair. For emergencies there are private healthcare hospitals available. Outside of South Africa, private hospitals are not guaranteed. We can organise evacuation either by road or air to a medical facility should this be required (own account). All our Train Managers have completed First Aid up to Level 3 and are trained in emergency situations. We do, however, strongly recommend that you explain your concerns to your travel insurance company so they can provide you with the necessary cover to meet and exceed such an eventuality.

Mobile Devices & Internet: In maintaining the spirit of train travel there are no radios or television sets on board. The use of mobile phones, laptops and essentially anything that has the ability to disturb other guests is confined to the privacy of your suites only. The reception is poor while the train is moving. It is advised to contact your service provider to ensure the correct settings for network services are activated. Wi-Fi is available at our lounges in Cape Town and Pretoria and at most off-train accommodation (although not always guaranteed).

Mobility: We are able to accommodate guests with walking difficulties although we recommend an able-bodied passenger accompany them. We regret that the train is not suitable for wheelchair-bound passengers. Should you have mobility impairments/restrictions or special requirements, we urge you to inform your travel agent or Rovos Rail at the time of booking. See Mobility Info on rovos.com.

Pets: We do not allow any pets or emotional-support animals on board.

Postage: Stamps are available for sale from the Gift Shop. Postcards may be handed to the Administration Deputy for posting.

Security: An electronic safe is provided in the cupboard in each suite. When on board we encourage guests to close shutters or preferably shutters and windows when not in your suites. The Administration Deputy is available for administrative requirements and is based at the Gift Shop.

Smoking: On board the train, smoking is allowed in the smoking Club Lounge only. HOWEVER, please be mindful of other guests who do not smoke, that the train is generally made up of wood and DO NOT throw flammable items such as cigarette or cigar butts off the train. Bush fires in Africa are a constant and dangerous hazard. Please note at the time of your reservation if you are smoking or non-smoking so that the appropriate room might be requested at the hotels/lodges.

We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available in your amenities bag and at the Gift Shop.

Water: The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the suites has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking.

Scheduling Times, Routes & Excursions: We wish to bring to your attention that Rovos Rail is solely reliant on the traction and railway services provided by the countries through which we travel. Our hands are regrettably tied when these services fail, be they due to locomotives, signals, overhead power-cable damage and/or theft, vandalism, electricity outages, railway tracks or issues with drivers etc. Delays can occur due to our reliance on these national organisations. Rovos Rail is not responsible and cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond our control. Rovos Rail reserves the right to cancel or amend our routing, any excursions and the tour departure dates provided we can offer clients alternative excursions or departure dates. Rovos Rail cannot guarantee excursions or departure and arrival times. Our obligation to transport guests from departure to arrival points on schedule will override any commitment to excursions although we will endeavour to carry out all of the off-train experiences. We strongly caution against same-day air travel on departure/arrival days due to possible delays with flights or the train.
